Dear Ron,

Roger has asked I contact you directly to inquire whether it would be appropriate for me to invite the FA representative to the meeting on the 4th. I ask this since I have had a meeting with the FA and Sport England today and the FA representative (Mr Stuart Lamb) said he would contact you.

Out of courtesy I feel I ought to up date Mr Lamb about the 4th or indeed invite him to the meeting. However, I realise you might not want Mr Lamb with us this time round and thus I am equally happy not to invite him if you prefer and simply inform him I will be meeting with you and up date him accordingly.

Which would you prefer - happy to go with what you feel most comfortable?

Kind regards, Bill Bagnell
